Blue Cross Blue Shield FEP Vision Introduction

Introduction

On December 23, 2004, President George W. Bush signed the Federal Employee Dental and Vision Benefits Enhancement Act of 2004 (Public Law 108-496). The law directed the Office of Personnel Management (OPM) to establish supplemental dental and vision benefit programs to be made available to Federal employees, annuitants, and their eligible family members. In response to the legislation, OPM established the Federal Employees Dental and Vision Insurance Program (FEDVIP). OPM has contracted with dental and vision insurers to offer an array of choices to Federal employees and annuitants. Section 715 of the National Defense Authorization Act for Fiscal Year 2017 (FY 2017 NDAA), Public Law 114-38, expanded FEDVIP eligibility to certain TRICARE-eligible individuals.

BCBS FEP Vision is responsible for the selection of in-network providers in your area. Contact us at 1-888-550-BLUE (2583) or TTY: 1-800-523-2847 for the names of participating providers or to request a provider directory. You may also request or view the most current directory via our website at www.bcbsfepvision.com. Continued participation of any specific provider cannot be guaranteed. Thus, you should choose your plan based on the benefits provided and not on a specific provider's participation. When you phone for an appointment, please remember to verify that the provider is currently in-network. If your provider is not currently participating in the provider network, you can nominate them to join. Nomination forms are available on our website or call us and we will take your nomination over the phone.

You cannot change plans, outside of Open Season, because of changes to the provider network.

Provider networks may be more extensive in some areas than others. **Please be aware that the BCBS FEP Vision network is different from the network of your health plan.**

This BCBS FEP Vision plan and all other FEDVIP plans are not a part of the Federal Employees Health Benefits (FEHB) Program / Postal Service Health Benefits (PSHB) Program.
