

How We Have Changed for 2025

Blue Cross Blue Shield FEP Vision How We Have Changed for 2025

2025 Program Highlights

New for 2025!

Changes to Standard Option Only:

- We added benefit coverage for contact lens evaluation, fitting and follow-up with a 55 copay.

Changes to Both High Option and Standard Options:

- We reduced the copay for retinal imaging from \$39 to \$29.

Changes to our Network:

- We are expanding our online presence by adding Contact Direct, <https://www.contactsdirect.com/>, to our network.

Changes to our Blue365® Program:

- We increased the discount vendors in our Blue365 program. Now there are over 100 different discounts in categories such as fitness, healthy eyes and ears, home and family, nutrition, personal care, and travel. (See page 22).
